

# Driving business performance – technology led accounting solutions

In today's competitive world, you need to ensure that your business is operating at maximum efficiency. Inefficient or ineffective business administration divert management time from business-critical tasks. Deploying the right outsourced solution for your business needs helps to create an agile and efficient organisation so that you can respond and grow in your chosen market.

Our technology led accounting platform can help you achieve your objectives.

## Dynamic management accounts and reports

Standard and bespoke reporting options are available for example:

- KPI reporting
- monthly profit & loss accounts with variances,
- balances sheets
- aged debtors and creditors
- purchase, sales and general ledger transaction reports

## Transaction processing

The service can include processing all aspects in respect of sales, purchases, employee expenses, credit cards, and bank transactions.

## VAT returns / EC sales lists

The service can include the preparation and submission of your VAT Returns and EC Sales lists to HMRC.

## Cloud based client portal

Accessible anywhere, any time and giving you confidence in the security of your data and mitigating business disaster risk.

## Online payments

Suppliers can be paid via online banking software – quickly, accurately and efficiently.

## Business information dashboard

Giving you complete visibility of your financial position, allowing you to make the right strategic decisions and the right moment.

## Systems integration

Integration with other business administration systems is possible, for example with payroll a front office or point of sale system reducing errors and increasing systems efficiencies

## Dedicated client service teams

Our partnership approach and key account management programme creates personal relationships, building trust, confidence and continuity in service delivery,

Flexible and responsive: you can choose a full outsourced accounting service, or select only certain elements of our services whilst retaining other finance functions in house. We own and develop our own systems so we constantly evolve our technology to roll out additional functionality to meet your needs.

### Extended benefits from the wider RSM services

The UK group of companies and LLPs trading as RSM is a member of the RSM network. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm each of which practises in its own right. The RSM network is not itself a separate legal entity of any description in any jurisdiction. The RSM network is administered by RSM International Limited, a company registered in England and Wales (company number 4040598) whose registered office is at 50 Cannon Street, London EC4N 6JJ. The brand and trademark RSM and other intellectual property rights used by members of the network are owned by RSM International Association, an association governed by article 60 et seq of the Civil Code of Switzerland whose seat is in Zug.

RSM Corporate Finance LLP, RSM Restructuring Advisory LLP, RSM Risk Assurance Services LLP, RSM Tax and Advisory Services LLP, RSM UK Audit LLP, RSM UK Consulting LLP, RSM Employer Services Limited, RSM Northern Ireland (UK) Limited and RSM UK Tax and Accounting Limited are not authorised under the Financial Services and Markets Act 2000 but we are able in certain circumstances to offer a limited range of investment services because we are members of the Institute of Chartered Accountants in England and Wales. We can provide these investment services if they are an incidental part of the professional services we have been engaged to provide. RSM Legal LLP is authorised and regulated by the Solicitors Regulation Authority, reference number 626317, to undertake reserved and non-reserved legal activities. It is not authorised under the Financial Services and Markets Act 2000 but is able in certain circumstances to offer a limited range of investment services because it is authorised and regulated by the Solicitors Regulation Authority and may provide investment services if they are an incidental part of the professional services that it has been engaged to provide. Baker Tilly Creditor Services LLP is authorised and regulated by the Financial Conduct Authority for credit-related regulated activities. RSM & Co (UK) Limited is authorised and regulated by the Financial Conduct Authority to conduct a range of investment business activities.
